**What’s Happening at the Gardens!**

**Principal’s Message - Last Friday we held our first whole school assembly for the year. Our school leaders led the assembly and did a fine job. 5/6C gave a class presentation made up of a display of artworks as well as demonstrating some beautiful reading. Clearly, great things are happening in our senior class! 5/6C also conducted some fundraising with a sausage sizzle and the selling of ice blocks. Please support all the class fundraising activities this year! Parents – I want to remind everyone that scooters are banned from Manning Gardens PS. Students are not to ride scooters to school. Students who are 10 years and older can ride their bikes to school as long as they are wearing a bike helmet and their bike is safe. This policy is all about our students staying safe as we are positioned next to two very busy roads. I thank you again for your support! Our school’s Bike Policy is attached to this Grapevine. Don’t forget that parents and caregivers are always welcome at school – your smiling faces at school certainly send a clear message to your children that school is COOL!**

**Schoolkids Bonus**

**Haven You Received the Schoolkids Bonus?**

Do you know about the Schoolkids Bonus? It is a new cash payment to help eligible families and students with the costs of primary and secondary school studies. Around 1.2 million families have already benefitted from the first wave of payments in January 2013 – have you?

If you receive a family or income support payment, including Family Tax Benefit Part A, you could be eligible to receive $410 a year for each primary student and $820 a year for each secondary student, with half paid in January and half paid in July.

Check your eligibility by visiting [australia.gov.au/schoolkidsbonus](http://australia.gov.au/schoolkidsbonus) and if you think you might have missed out on the January payment, contact Centrelink – either in person at a Centrelink-Medicare Office or by calling 132 468.

Every FRIDAY is Fundraising Friday where food is sold to raise money for the Year 6 Farewell/Gift to the school. Please encourage your children to bring money for food to school every Friday. There are lots of different things on offer and the food is so yummy and scrumptious... Please help support our Year 6 students in their Fundraising efforts.

Week 6 - Fundraising

Every day in week 6, Year 6 will hold a fundraising week where there will be fun activities to take part in, every lunchtime, at a small cost... For Example - Wii games, treasure hunt, cake stall, decorating biscuits, colouring competition etc. Please help our Year 6 students reach their Fundraising goals... This is going to be a fantastic week for all!

The Library program is up and running for all classes as per the timetable below.

This Week all students at Manning Gardens Public School will be attending Life Education Van sessions. The Life Education Van will be visiting Manning Gardens P.S between Tuesday the 26th of February and Monday the 4th of March. Life Education offers a broad, positive health program with a particular focus on preventative drug education and is aimed at children in their formative years, with a preschool program also.

This is a great program for students! There is also merchandise available for students to purchase so that they can remember their wonderful experience, a list and pricing details are provided below.

Life Education Australia Merchandise:

- Calculator - $5.00
- Harold Key Ring - $3.00
- Harold Hand Ball - $3.00
- Wallet - $4.00
- Sticky Note Pad - $1.00
- Healthy Harold - If you wish to purchase any of the merchandise mentioned you need to write your name, class and cost on an envelope with correct money inside it and hand it into the office. Items will be distributed Friday and Monday Afternoons.

P & C News

Thankyou to everyone who attended our first P&C Meeting. We welcome all new and returning families to attend our next meeting which is to be held on the 20th of March in the School Staffroom.

The P&C does a fantastic job in helping our children and we thank them for all of their support.

Canteen News!

The canteen is now open 3 days per week – Tuesday, Wednesday and Thursday thanks to the fantastic effort by the P&C and our fabulous volunteers!

If you are able to volunteer to help out in the canteen please see our wonderful office staff! We welcome all new volunteers and appreciate all of the efforts in helping our school canteen to continue to run.

Library for 2013

Students will be borrowing books each week during their library lesson, to read in their classroom during quiet reading time. However students can still borrow extra books to take home, providing they have a library bag to protect the book while in transit. Drawstring cloth bags are ideal, but thick plastic bags, cloth shopping bags and pillow cases are also acceptable.

Once again, to help our students develop a love of reading we are encouraging all students to participate in the 2013 Premiers Reading Challenge (PRC). The challenge is that students in K-2 must read (or listen to) 30 books and Yrs. 3-6 students must read 20 books by 1st September 2013. The majority of the books read must be listed on the PRC booklists – for more information, go to https://products.schools.nsw.edu.au/prc/home.html. This year, each class will adopt a rocket to race the other classes Across the Universe, to the moon. As each student completes the PR Challenge, his or her class rocket will shoot one galactic step closer to the moon! What they find on the moon will be a book-lovers surprise!

Parents and carers, please help your children achieve their reading goals. Developing a love of reading can be life changing!
