Principal's Message

It's not everyday that someone says: “I love coming to work!” but that is exactly how I feel.

Everyday I am amazed by the commitment and dedication of the staff at this school. They work as a team and put in incredible hours to not only deliver the best education possible but they also provide a holistic approach to learning and student wellbeing - after school activities, excursions, emergency lunches, fundraising and the list goes on and on.

Students, parents and the community also greatly contribute to the success of this school. Every morning I am greeted by happy kids who want to be at school, who want to learn and who want to become 'stronger and smarter'. I would also like to recognise parents for sending their children to school each day, in school uniform and ready to learn. You do a tremendous job!

Strong community partnerships keep our school on track and healthy. Please feel free to come up to the school at any time and see the great things that are happening! Your support and assistance is always appreciated!

Paul Sortwell - Principal
