Principal's Message

Today our school celebrated Harmony Day. The message of Harmony Day is that everyone belongs. It is a day to celebrate Australia’s diversity. It is a day of cultural respect for everyone who calls Australia home—from the traditional owners of this land (the Biripi people) to those who have come from many countries around the world.

Did you know that around 7 million people have migrated to Australia since 1945. We identify with approximately 300 ancestries. 45% of Australians are either born overseas or have a parent who were.

Harmony Day is also a perfect fit for our school with our motto: Together We Grow—Stronger Smarter! A school that accepts and celebrates diversity, is inclusive and promotes equity and also actively demonstrates that everyone belongs, is a school that will grow and prosper and also become stronger and smarter! Through our school beliefs, we aim to provide a school that is happy, safe and harmonious!

Special thanks to all the parents and community who attended our Harmony Day celebrations. Thank you to the canteen for the yummy food. A huge applause to our school’s Harmony Day organising committee for yet another brilliant school and community celebration!
